

2017-18 Scholarship Application is now Open! **Accepting applications through December 15**

Since 2006, the Foundation has awarded more than **\$5,000,000** in college scholarships to middle Tennessee students pursuing business and STEM (Science, Technology, Engineering, and Math) degrees at colleges and universities throughout the United States.

The newest class of recipients are enrolled at 44 colleges and universities in 17 states. Those students represent 67 high schools across 19 counties in Middle Tennessee. They come from public, independent, and home schools with 30+ majors ranging from economics to engineering.

For a list of eligibility requirements, and to begin your application visit **[Scarlett Family Foundation College Scholarships](#)**

As a member of NHS, you're eligible to apply for an NHS Scholarship. The program is open to all senior members in good standing—meaning you're maintaining the required GPA for NHS membership, doing your service hours, etc.

Get yourself ready to apply for the NHS Scholarship by watching a video, available at www.nhs.us/scholarship.

This year, \$1 million in scholarship monies will be awarded, disbursed among 400 applicants. One national winner will get a \$20,125 scholarship.

Applications for the program open November 1. Get ready *now* to apply. When the program opens, we'll post a link on our website that your adviser can share with you. **Ask your adviser for it.** (Your adviser and your principal will be asked to provide a recommendation and certify your application as part of the application process. A third recommendation—from a faculty member of your choosing—will also be required. So budget time to ensure you meet the **February 1, 2017, deadline.**)
